

IN THE CLAIMS:

Please amend the claims as follows. This listing of the claims will replace all prior versions, and listings, of claims in the application:

1 - 8 (Cancelled)

9. (Currently Amended) A door storage compartment for a refrigerator, the door storage compartment comprising:

at least one first storage compartment portion having a full first horizontally-directed depth and a first vertically-directed storage depth; and

at least one second storage compartment portion having a front wall, the second storage compartment portion having a second horizontally-directed depth being less than half of the full first horizontally-directed depth and following the first storage compartment portion in a longitudinal direction of the door storage compartment, and the front wall of the second storage compartment portion having a second vertically-directed storage depth substantially the same as the first vertically-directed storage depth, whereby the second vertically-directed storage depth of the second storage compartment portion is substantially the same as the first vertically-directed storage depth.
